

Mission Statement & Objectives of the Masconomet High School Boys Ice Hockey Booster Club

The mission of the Masconomet High School Boys Ice Hockey Booster Club (Booster Club) is to promote the hockey program within the Tri-Town community, and support the players, coaches, school administrators and player families involved in the program.

The Booster Club consists of player parents and community members who support the program through membership and volunteer activities. The principal objective of the Booster Club is to raise funds for the hockey program, and in so doing ensure the quality and ongoing improvement of the program and the players' experience.

The Booster Club is a non-profit group that operates under an established set of by-laws that prescribe how the organization conducts business.
